

CHRISTMAS DINNER

Christmas dinner this year will be held on Thursday 10th December.

Traditional Christmas dinner will not be served on this day - there will be a special chicken and chips dinner and a special dessert on the day. As our dinners are cooked in Lurgan and delivered to us we have to respect the decision. (although a little disappointing) taken by Carrick kitchen due to COVID19 restrictions.

As the kitchen would like to know approximate numbers could you please let Mrs Graham know by email tgraham241@c2ken.net by Thursday of this week if possible, if your child is planning on having this special dinner.

Thankyou
